

UCSF PPE Laundry Service Program

The Office of Environment, Health and Safety (EH&S) is pleased to announce a free lab coat laundry program for researchers at the **Parnassus campus**. Later in the year this program will be available at Mission Bay, SFGH, Mt. Zion and China Basin. Lab coat laboratory laundry service can be requested as described below:

Step 1: Request laundry service envelopes via email @ ppe@ucsf.edu.

Step 2: Fill in All required information on Aramark laundry form

Step 3: Ensure single lab coat is completely dry and all pockets are empty.

Step 4: Place folded lab coat and with Aramark form inside envelope and seal.

Step 5: Deliver sealed envelope to EH&S receiving technician at Long Hospital, Room **L235G** Monday through Friday from 8:00am – 12:00pm

Clean lab coats will be delivered back to researchers on campus in approximately two weeks.

Note: If a lab coat is contaminated with a hazardous material (e.g. radiation, biohazard, or chemical), please visit [EH&S website](#) for further instructions.
