Accessing the Medical Health Surveillance Questionnaire using UCSF’s Virtual Private Network (VPN)

Before beginning, please ensure you have the most updated version of UCSF’s VPN. To check go to: https://it.ucsf.edu/services/vpn. Once you have activated your VPN and MyAccess accounts, follow these steps to access the Medical Health Screening (MHS) Questionnaire:

Step 1: Go to https://remote.ucsf.edu

Step 2: Enter your MyAccess credentials (SFxxxxxx) and password and select the [Login] button.
Step 3: Once logged in, you will see the following page. Just below the top right menu, are a text box and a [Browse] button (circled in green here).

Step 4: Copy and paste the following URL into the text box, and select [Browse]:
https://medicalhealthscreeningforanimalallergy.ucsfmedicalcenter.org:4430

Step 5: This action will navigate you to the Medical Health Surveillance login page. Select the link [Login with MyAccess].
Step 6: Review the UCSF Medical Health Screening Questionnaire Privacy Statement, and select [I agree] at the bottom of the page.

UCSF Medical Health Screening Questionnaire Privacy Statement

Animal Exposure Surveillance Program

The Animal Exposure Health Surveillance Program is part of the UCSF Occupational Health Program and requires anyone at who has contact with animal or animal tissue to complete the Medical Health Screening (MHS) questionnaire annually. This questionnaire is used as a part of the medical evaluation to assess potential risk for individual employees as required by the National Institutes of Health Public Health Service Policy.

[I]

Your Privacy

The UCSF Medical Center (MC) is committed to protecting the confidentiality of your personal and health information. We at the same degree of confidentiality to medical information stored in the MHS questionnaire database as is given to health information stored by UCSF MC in any other medium. We limit UCSF employees’ access and ability to enter or view health information upon their role in your care. We have taken steps to make all health information received online from the MHS questionnaire as secure as possible against unauthorized access, use, or disclosure.

You have successfully launched the MHS Questionnaire, and may submit a completed survey.

For Technical Assistance setting up a MyAccess Account or accessing the VPN Network, please contact Jennifer Murray at: Jennifer.Murray@ucsf.edu or 415-502-1784
