Do you feel sick?

If you think you have the flu, tell your supervisor and stay home, except to get medical care.

You may have the flu if you have fever or chills AND a cough or sore throat.

You may also have a runny nose, body aches, a headache, tiredness, diarrhea, or vomiting.

For more information visit www.flu.gov or call 1 (800) CDC-INFO (232-4636)
